

CIVETTA ADVENTURE PARK RULES

- Participate in the dressing and briefing for use of the adventure park facilities as Legislative Decree 81/2008 (safety law) (for minors it is necessary that an adult, who at that time takes his place participate in both dressing and briefing to help and monitor the children on the course).
- Use the structures only if equipped with personal protective equipment (PPE).
- Always use the safety cable marked with the red signaling device and both carabiners. During the transition phases, detach and attach one carabiner at a time.
- **It is absolutely forbidden to stay with both carabiners detached.**
- A maximum of 3 people can stay on platform.
- One person at a time for each activity.
- Do not reverse the direction of travel.
- People with long hair are obliged to collect them under their helmets.
- The people with glasses will have to worry about fixing them.
- Helmet use is obligatory for everyone.
- Minors must be compulsorily and constantly under the supervision and control of a responsible adult.
- The safety, during the progression on the routes, is absolute provided the simple rules of instruction given during the briefing are respected. However, as this is a normal sporting activity, the associated risks remain (small injuries, minor excoriations etc...)
- Access to the paths is reserved for people deemed suitable: each user must guarantee to have good psychophysical form, not to have taken alcohol, drugs or medicines that limit it and not have heart problems.
- The use of suitable shoes (gymnastic or trekking) is compulsory, sport wear that is not too wide is recommended; Avoid bringing valuables and in general any object (cell phones, keys, etc...) that could fall during the evolution between the trees.
- Minors are admitted on the routes only with the presence and under responsibility of an adult who will sign the declaration of discharge of responsibility.
- The entrance ticket includes: equipment rental (harness, helmet) teaching (briefing) on the correct use of the equipment provided and the progression and safety techniques to be used during the air routes.
- School and groups proceed under the presence and responsibility of signatory of the disclaimer.
- Each user progresses along the paths independently and under his responsibility.
